

## Join The SKB IN CROWD

As an accredited investor, apply to SKB IN CROWD and gain access to institutional grade, professionally-managed real estate investments. Investors have access to a range of investment types.

## Discover Exclusive Investments

Log in to find and review the investment opportunities anytime. Select projects that meet your real estate investment goals such as geographic location or asset class. Review property details, investment information and due diligence documents at your convenience.

## Invest With The Pros

Invest in professionally-managed real estate deals that were previously only available to institutions and a select few. Learn about the Sponsors that will be managing the investment and the underlying real estate asset.

## Build Your Portfolio

You can invest online with as little as \$50,000, so it's easy to acquire a blend of growth and income investments and diversify your portfolio across geographies and product types. After closing, you'll receive management updates and investment returns on a regularly scheduled basis.
